

CITY OFFICIALS LEAD  
IN PROTEST AGAINST  
MARGINAL BILL VETOMayor and Others in Meeting  
to Urge Governor to  
Sign Measure.

Borough's Borough Hall was the scene last night of a meeting protesting against the reported intention of Gov. Whitman to veto the Quinn marginal terminal railway bill now before him for action.

Representatives of nearly every prominent civic organization in Brooklyn, to the number of 50, voiced their indignation at the threatened position of the bill, which they asserted, has been matured after years of effort to give the whole city adequate freight and terminal facilities.

Mayor Mitchell, Comptroller Frederick, Dock Commissioner R. A. C. Smith, President of the Board of Aldermen McAnany and Borough President Lewis Pounds were among the speakers who urged the final ratification of the bill.

Comptroller Frederick injected a ray of hope when he told the gathering that he had just returned from talking with Gov. Whitman in Albany and that Mr. Whitman had de- cided absolutely that he had gone on record as to his intentions regarding the bill.

Mr. Frederick made it clear that the Governor did not commit himself, however, as to what his final action will be. Continuing, he said: "I want to utter a protest here against Assemblyman Burr. I wish that privilege could be withdrawn from the mendacious utterances of that man in his attacks upon our city officials and I want to point to your duty to go on record in letting men of his stamp know that you will not stand for them."

Among the organizations represented were the Merchants' Association, the Brooklyn League, the City Club, the Downtown Taxpayers' Association and the Broadway Board of Trade.

SUFFRAGIST DENIES  
DEMOCRATIC TRUCEChairman of Congressional Union  
Says Fight on Party Will  
Continue.

Miss Alice Paul, Chairman of the Congressional Union, yesterday vigorously denied that the union had abandoned its policy of attacking the Democratic Party. A statement issued by Mrs. Stanley McCormick, Vice President of the National American Suffrage Association, congratulating the union on giving up the fight against the party in power, which has been the pivotal principle of the union, called forth Miss Paul's reply.

"The policy of the Congressional Union," she said, "is now, as it has always been, to hold the party in control of the Government at Washington responsible for action on Woman Suffrage as on other questions before Congress. The Democratic Party will be in control of the next Congress, although by a very greatly reduced majority. That party will therefore be responsible for action on Suffrage as in the past."

## STOMACH UPSET?

Get at the Real Cause—Take  
Dr. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking tonics or trying to patch up a poor digestion they are attacking the real cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away go indigestion and stomach troubles. If you have a bad taste in your mouth, tongue coated, appetite poor, lazy, don't-care feeling, no ambition or energy, troubled with undigested food, you should take Olive Tablets, the substitute for calomel.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without griping, cramps or pain. Take one or two at bedtime for quick relief, so you can eat what you like. At 10c and 25c per box. All druggists. The Olive Tablet Company, Columbus, O. Adv.
